locations, more
choices, simply
more to love!

No longer do you have to change credit unions because you are traveling or moving. Your credit union is part of a nationwide **CO-OP Shared Branch Network** that gives you the flexibility to conduct your financial transactions at thousands of participating credit union locations across the country. The same level of service you receive at your credit union is extended to you at participating credit unions nationwide. That means you don't need to give up the credit union you have enjoyed for years.

OVER 150 LOCATIONS IN MAINE
OVER 5,000 NATIONWIDE

What is Shared Branching?

The CO-OP Shared Branch Network provides the members of Maine's credit unions access to over 155 credit union branches throughout the state, and over 5,000 locations across the country. Make a deposit, withdraw cash, transfer funds, or even make a loan payment. Where you go, you'll be treated like a member of the family.

Shared Branching provides you with the ability to conduct many of the service needs that traditionally were offered to you only at your own credit union branch at any of the over 155 Shared Branching locations in Maine or at thousands more across the country.

What transactions may I do at a Shared Branch?

Many key member services are offered at Shared Branch locations across the country, including:

- Deposits to your accounts
- Cash and check withdrawals
- Transfers between accounts
- Cash advances
- Loan payments
- Balance inquiries
- Money orders, traveler's checks or official checks
- Extended hours at some locations

What do I do when I go into a Shared Branch?

You will need to provide the following items to conduct your transaction:

- Photo identification
- Your own credit union name
- Your own credit union account number
- Last 4 digits of your Social Security number
- Primary address on file for the account

With Shared Branching, there is no longer a need to leave your credit union behind and give up the personal service that you have come to rely on.

Just look for the logo!

When you see this logo, you know that you can enter the credit union and do most of the same transactions that you would at your home credit union.

Additional access with kiosks!

Shared Branch credit union members now have access to Shared Branch "kiosks" in lobbies and other convenient locations!

- Make loan payments
- Get loan advances
- Make money transfers or withdrawals
- Make cash or check deposits without slips or envelopes!

How do I find out where I can do business at a Shared Branch location?

To find the location nearest you and its operating hours, call **1-800-SITE-CO-OP** or visit mainecreditunions.org or co-opsharedbranch.org.
