What is Shared Branching?

The CO-OP Shared Branch Network provides the members of Maine's credit unions access to over 170 credit union branches throughout the state, and more than 5,700 locations across the country. Make a deposit, withdraw cash, transfer funds, or even make a loan payment. Wherever you go, you'll be treated like a member of the family.

Shared Branching provides you with the ability to conduct many of the service needs that traditionally were offered to you only at your own credit union branch at any of the over 170 Shared Branching locations in Maine or at thousands more across the country.

What transactions may I do at a Shared Branch?

Many key member services are offered at Shared Branch locations across the country, including:

- Deposits to your accounts
- Cash and check withdrawals
- Transfers between accounts
- Cash advances
- Loan payments
- Balance inquiries
- Money orders, traveler's checks or official checks
- Extended hours at some locations

What do I do when I go into a Shared Branch?

You will need to provide the following items to conduct your transaction:

- Photo identification
- Your own credit union name
- Your own credit union account number
