Congratulations!

You have already taken the first step by financing your new or “new to you” vehicle with Acadia Federal Credit Union. In addition to helping you acquire that new vehicle, our loan officers also want to see you protected against life’s incidentals. We can offer protection at surprisingly low prices.

Acadia FCU offers three beneficial and affordable products to protect you financially, as well as options to protect the vehicle itself. These products can help if you need short- or long-term assistance with making your loan payments; cover the difference if you have an insurance claim when you owe more on your vehicle than what it is worth; or add an extended warranty to your used vehicle. What’s even better is that these products are actually affordable!

Acadia FCU believes in serving our members in any way we can. Please review these products and see all the ways we can help you protect yourself, as well as your latest investment. ENJOY your purchase!

Debt Protection

Safeguard your family against unexpected events that could leave you unable to pay monthly bills. Acadia FCU Debt Protection has you covered. We’ll make sure you can still make your loan payments on time. With this program, you can cancel your loan balance or monthly loan payments

without any penalties or added interest.* You get peace of mind knowing you and your credit rating are safe and, most importantly, your family is, too.

Extended Warranty

Protect yourself from mechanical breakdowns. We offer this warranty to add protection against the high cost of repairs. Plans cover ordinary wear-and-tear, including engine, transmission, axle, brakes, steering, suspension, fuel, air conditioner, electrical, and more. Other benefits include roadside assistance (towing, gasoline delivery, flat tire, jump start, lock-out services), rental car reimbursement, trip interruption, deductible reimbursement, and much more. It’s a great value!

GAP Plus

The last thing you want to think about right now is a total loss on your new vehicle – but you should. If your vehicle is stolen or damaged and deemed a total loss, you are responsible to pay the difference between what you owe and what your insurance company says it is worth. Guaranteed Auto Protection can help cover the difference and potentially save you thousands of dollars, PLUS you will receive a \$1,000 reduction toward your next auto loan with Acadia FCU.

*Loans up to \$75,000/Payments up to \$1,000 per month. Contact an Acadia FCU loan officer for full program details.

YES!

I would like more information about the following Acadia Federal Credit Union loan protection products and add-on services:

- Debt Protection
- Extended Warranty
- GAP Plus
